

Wall lamp

## FABIO – 283817932

incl. 1x SMD LED, 12W · 1x 1400lm, 3000K

- **Wallmounting**
- **Not suitable for external dimmer**
- **IP44**

The FABIO bathroom light is classic and timeless, as it impresses with its angular design. Added to this is the clear design language, which emphasises its timelessness. The highlight of this simple luminaire is that it is protected against splashing water on all sides thanks to its IP44 protection rating. It is therefore ideal for placement in the bathroom or other damp rooms, such as the laundry room. Thanks to the discreet matt black colour, the light can be integrated into any furnishing style. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, generate less heat and protect the environment.

### Material construction

Metal · Black mat  
Acryl · White

### Product dimensions

Width: 80cm  
Height: 3cm  
Weight: 8,3kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 12W  
Lumen: 1x 1400lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
