

Wall lamp

ZORRO – 223210132

incl. 1x SMD, 6,5W · 1x 700lm, 3000K

- **Wallmounting**
- **IP20**

The ZORRO wall light embodies modern colour and design. The appealing design language looks stylish and blends seamlessly into modern living spaces. As a supplementary or orientation light, the luminaire visually enhances any living space and provides a customised lighting result thanks to the angled recess. The light is indirect and the glow of light is directed against the wall. The light measures 18 x 14.5 cm and creates a pleasant atmosphere with its warm white light. In matt white, the ZORRO perfectly rounds off the modern and sleek appearance. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
