CLOUDY provides heavenly lighting. The wall lamp with remote control holds two different connection variants ready and offers lively lighting moods through the integrated RGBW colour changer. The bright colour design in white matt optimally reproduces the colourful light settings. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
