

Wall lamp

PADMA – 227160242

incl. 2x SMD, 4,5W · 2x 420lm, 3000K

- **Sleuable**
- **Up and Down lighting**
- **Wallmounting**
- **IP54**

The PADMA wall light skilfully sets the scene for your outdoor area. The anthracite-coloured aluminium housing and the high-quality finish combined with the appealing design make it an eye-catcher in your outdoor area. The light consists of a fixed centre bar and two movable light elements, each of which can be folded outwards. This allows the luminaire to take on different shapes and create special lighting effects. The upward and downward light emission creates wonderful accents and optimally supplies the outdoor area with a pleasant light intensity. The IP54 protection rating ensures protection against the ingress of dust and splash water and can therefore be used outdoors without any problems. The anthracite colour scheme makes the light absolutely modern. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Diecast aluminium ·
Anthracite

Product dimensions

Width: 13cm
Height: 10cm
Weight: 0,7kg

Technical data

Light source: SMD – LED (integrated)
Watt: 4,5W
Lumen: 2x 420lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
