# Constant Voltage LED Transformers

## LED Transformer 150W 24VDC TD 220-240V

Constant Voltage LED Transformers

### Product data

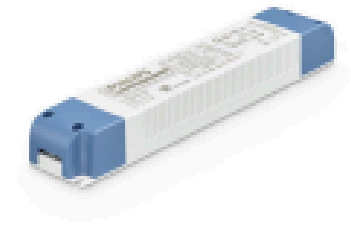

| General Information      |                         |
|--------------------------|-------------------------|
| Lighting Technology      | LED                     |
| Operating and Electrical |                         |
| Input Voltage            | 220-240 V               |
| Line Frequency           | 0/50/60 Hz              |
| Input Frequency          | 0/50/60 Hz              |
| Power Consumption        | 150 W                   |
| Protection class IEC     | Safety class II         |
| Controls and Dimming     |                         |
| Control interface        | DALI TD                 |
| Mechanical and Housing   |                         |
| Ingress protection code  | IP20 [Finger-protected] |
| Net Weight (Piece)       | 0.520 kg                |

| Approval and Application  |   |
|---------------------------|---|
| Remarks                   | Please download the Lighting - Product Data Sheet for more information and ordering options |
| Ambient temperature range | -20 °C to 50 °C   |

| Product Data                    |  |
|---------------------------------|--|
| Order product name              | LED Transformer 150W 24VDC TD 220-240V |
| Full product name               | LED Transformer 150W 24VDC TD 220-240V |
| Full product code               | 692234103154300                        |
| Order code                      | 629002200706                           |
| Material Nr. (I2NC)             | 629002200706                           |
| Numerator - Quantity Per Pack   | 1                                      |
| EAN/UPC - Product/Case          | 6922341031543                          |
| Numerator - Packs per outer box | 10                                     |
| EAN/UPC - Case                  | 6922341031550                          |
